JIKKU

EARTH MOVERS

shaping tomorrow

ABOUT US

Established in 1992, Jikku Earth Movers has been at the forefront of the earthmoving industry for over three decades. Our dedication to quality, safety, and customer satisfaction sets us apart, making us the preferred choice for projects of all sizes and complexities.

OUR SERVICES

Excavation: From site preparation to trenching and grading, we offer comprehensive excavation services to ensure your project gets off to a solid start.

Land Clearing: Our skilled team utilizes state-of-the-art equipment to clear land quickly and efficiently, making way for new developments.

Demolition: When it's time to make way for new construction, our demolition experts get the job done safely and effectively.

Site Development: We specialize in site development, transforming raw land into fully-functional sites ready for construction.

Landscaping: Enhance the aesthetics of your property with our professional landscaping services, including grading, sodding, and planting.

Hauling and Transport: Need materials moved from one location to another? Our hauling and transport services have you covered.
